

Pre-Christmas Season 2025

Hillynwynt and English Communication Skills in Dauborn are offering six open afternoons in the run-up to Christmas – art and English, each with a special focus. At 3 p.m. Norbert Vetter will give a short talk on the topic. In addition to the art and craft exhibitions, you can enjoy a cup of tea or coffee and, if you wish, chat in English. Look forward to new impulses in Hünfelden, Hebelstr. 17, entrance on the corner of Lönsstraße.
